

**Bromley Well**

# Are you looking for new employees?

**Bromley Well** supports people with learning disabilities, physical disabilities, long-term health conditions and mental health issues into **volunteering, work placements or paid employment**. We are here to support both the employer and the employee with any work related issues.

## Benefits of employing a person with a disability:

- Positive impact on the workplace including employee loyalty and improved staff morale
- Retention - employing a person with a disability can reduce staff turn over
- Enhance the image and social corporate responsibility of your organization

## What we can do for you:

- Support throughout the employment process from Bromley Well
- A job coach offering one to one support for the individual until they are independent
- Provide free disability awareness training for staff
- Support with making reasonable adjustments
- Ongoing support, whenever you need it

If you can offer work experience, voluntary or paid work opportunities please contact our Employment Advisors on **020 8466 0791**
