Our November Update

It has been a busy first half term at the Station Road Training Centre. We have welcomed 14 learners to the Training Centre.

The learners have been developing their cookery and food preparation skills by making fruit kebabs, sandwiches and decorating cupcakes.

To recognise wider events we have delivered activities for Black History Month, Remembrance Day and Anti-bullying Week. This has included wreath making and a visit to the local memorial in Bromley.

Our first of many visits and talks started last week. We were visited by our local Safer Neighbourhood Team, who spoke about their role, keeping safe and being mindful of scams.

This week we were also visited by the London Ambulance Service who delivered some valuable first aid skills.

Curriculum Offer

We are approved by the awarding body OCN London to deliver the following qualifications:

OCNLR Entry Level Certificate in Skills for Independence and Employability (Entry 2 & 3)

OCNLR Entry Level Extended Certificate in Skills for Independence and Employability (Entry 2 & 3)

OCNLR Level 1 Award in Health and Safety in a Construction Environment

OCNLR Level 1 Award in IT User Skills (ITQ)

These will be matched up to learner choice and ability to provide them with valuable life and employability skills.

Meet the Station Road Training Centre Team

Matt

I'm Matt. I oversee the Education and Employment Services for Bromley Mencap and Bromley Well. I am really glad that Station Road Training Centre is now up and running.

At weekends I love spending time with my children, watching them play football and joining them on their hobbies. I also enjoy listening to music, reading, cycling and football.

Mark

I'm Mark and I am really excited about my role with Bromley Mencap. I oversee the day to day running of the Training Centre, support with delivery and quality assurance. I am enjoying the positive impact which this Training Centre is having on our learners.

I am also a governor/trustee at The Glebe School and also a Youth Support Worker with Bromley Council.

Jane

I'm Jane and I am one of the SEN Tutors. It's very exciting to be involved right at the beginning of this essential service which will be providing our young people with the education and training as part their journey to employment.

I have a background in education and worked in a busy SEN department in a Bromley mainstream secondary school for 15 years.

Sue

I'm Sue and I am one of the SEN Tutors. I have worked in education for 18 years and have spent many years supporting SEN learners in mainstream education. I enjoy supporting learners to develop their skills and confidence.

Alongside my role I am also a Youth Support Work with Bromley Council. I like gardening and going for walks with my dog.

Ann

I'm Ann, some of you may already know me through my previous roles within the organisation. I have worked for Bromley Mencap for 2 and a half years, and before that I worked in Primary and Secondary Schools. I love working in such an inspiring environment and like to be more hands on so in the past I've helped out with discos and fairs and also filled in as a support worker and job coach.

I am looking forward to my new role at the Training Centre and working with such amazing young people. In my spare time I love to read, go to the cinema and go out for meals with friends and family.

Buddying Scheme

- Are you a young disabled person aged between 14 and 25?
- Would you like to “buddy up” with a non-disabled peer and access leisure opportunities in the community?

What are the benefits?

Buddying enables people to enjoy activities such as trips to the cinema and bowling alley, having meals out or going for a walk or kickabout in the local park. Travelling with their buddy on public transport encourages independence and the opportunities help to build confidence for future adult life.

We accept referrals from Social Services or you can self refer and the cost is £13.07 per hour.
