Incorporating Bromley Scope

End of Term Highlights

It's hard to believe we've already reached the end of the first term! Our new learners have fully embraced life at the Training Centre and we've grown into one big happy team. November and December have been packed with events, trips, and guest speakers, all while learners stayed focused on their studies. For more details on the topics covered, check out the curriculum roadmaps on page 3 and page 4.

November Highlights

November started with a bang, featuring remote talks from Juliet at the animal charity Blue Cross. These engaging sessions covered Animals and Well-being and Safety Around Dogs, which tied in perfectly with the weekly visits from Benji, our beloved Station Road K9.

For Remembrance Day, we visited the Bromley War Memorial and created a striking wall display to showcase learners' understanding of world events. Later that week, students attended the Bromley Mencap AGM at the United Reformed Church. This gave them the opportunity to engage in the democratic process by voting for trustees and contributing to the organisation's future strategy.

December Highlights

In December, learners participated in a first aid refresher course delivered by the London Ambulance Service. They practiced CPR during a hands-on session, and new learners will have the chance to gain a first aid certificate later in the academic year.

We wrapped up the term with a festive Christmas Quiz in Orpington, run by Allison Gill and her Cost-of-Living Team. Tariq had double the reason to celebrate – he was part of the winning It's Quizmas! team and also won a prize for the best value snack!

We continue to be supported by the Jack Petchey Foundation. This helps with purchasing much-needed resources for the Training Centre and funding trips.

We are regulated by Ofsted.

A huge thank you to Kelvin's mum and dad for their kindly donated Chinese food for our festive end of term party!

Sticky Bandits = 55
Miracle Workers = 50
