It was great to welcome the learners back to Station Road after the long Christmas break.

January and February are always seen as grey months, that seem to drag on forever, but we have been successful in filling our time with some great learning opportunities, trips and informative talks.

As part of their Travel and Tourism module, a group of Year 2 learners went to visit Hays Travel Agents on Bromley High Street.

They had an extremely warm welcome from the staff and were given lots of advice and information, even returning with complimentary sunglasses and lots of holiday brochures! Learners and staff are photographed below.

We have continued to welcome visitors to the centre and this half term we had an afternoon of Doggy Daycare, with Benji, our Station Road canine, bringing in two of his little friends, Eddie and Penny, to meet the learners.

Sticky Bandits = 55
Miracle Workers = 60

At the start of the new term in January we were inspected by Ofsted. This was a monitoring visit which took place over two days and involved two Inspectors observing lessons, speaking to staff, learners and parents.

We are very pleased with the outcomes and the report will be published here shortly.

A big thank you to all the learners and parents for their support during the Ofsted inspection.

Jack Petchey Winner

The learners voted for the next Jack Petchey Award winner and we are pleased to announce that the chosen recipient is Natese Beckford-Walker.

She was nominated by staff and peers for her positivity and supporting others.

The learners have been very busy coming up with ways to spend the funding. Watch this space for information on future trips and events!

We also welcomed the Sexual Health nurses for an informative workshop and marked Chinese New Year, Holocaust Memorial Day and Valentine's Day with some great artwork and baking. Photographed right are Heart Sun Catchers and delicious Chocolate Truffles.

Some of our learners had the opportunity to enjoy an impromptu visit to Beckenham Library for its grand reopening, following a seven-month refurbishment. It was wonderful to meet Baroness Benjamin (photographed left), who some parents and carers may remember from her days on Play School, as well as Stella, the famous Beckenham moggy.

Term Dates
