Incorporating Bromley Scope

Spring Term Highlights at Station Road

March and April have been bustling months here at Station Road, filled with learning, growth, and hands-on experiences.

Year 1 Achievements

Year 1 students have commenced modules focused on 'Getting Employment' and 'Interview Preparation,' equipping them with essential skills for the future. They have also worked hard in the garden area.

Year 2 Achievements

Our Year 2 learners have successfully completed their module on the travel and tourism industry. They're now embarking on an exciting journey exploring UK tourism destinations. Additionally, they've been developing their digital skills by delving into the basics of Microsoft Excel.

Year 2 Transition News

Our Year 2 learners are receiving valuable support from Sarah Barclay as they prepare for the transition into employment. We're excited to share that five learners have been selected to participate in the assessment day at the Princess Royal University Hospital for the Supported Internship Programme. This opportunity will allow them to gain hands-on experience and further develop their employability skills. We wish them the best of luck!

Natwest Moneysense

Volunteers attended Station Road in March to collaborate with us to present a 'Budget like a Boss' Workshop. This complemented the learners' Numeracy lessons for that term, which focused on financial literacy and money management. During the workshop, learners reflected upon their own spending styles and were encouraged to think about positive changes that they could make. It was a lovely interactive workshop, which promoted teamwork and lots of discussion.

We continue to be supported by the Jack Petchey Foundation. This helps with purchasing much-needed resources for the Training Centre and funding trips.

Sticky Bandits = 80
Miracle Workers = 95

We are regulated by Ofsted.

Jack Petchey Winner

Emily was voted by her peers as the latest recipient of the Jack Petchey Environmental Award and the grant attached to this went to improving the outside space at Station Road.

In March, we had a group visit to Dobbies Garden Centre in Keston and managed to pick up lots of plants, pots and gardening equipment. A big thank you to Sue and Tracey for all the hard work they have put in to make the garden look so fantastic.

Earth Day 2025

In April, we celebrated Earth Day by launching a new recycling station at Station Road, collecting plastics, paper and tins, as well as soft plastics and batteries with learners making regular runs to the collection point at Sainsbury's supermarket.

We've also joined Bromley Council's Street Friends scheme, promoting community cleanliness. During an enrichment session, students conducted a litter pick around Bromley North, using equipment kindly borrowed from the Greener & Cleaner Hub at The Glades. Their efforts were met with appreciation from the public.

Drumming

The learners enjoyed a great drumming workshop with the amazing Alan from Drumtonics.

Upcoming Events

- Tuesday 20 May – Red Cross First Aid Workshop
- Tuesday 3 June – Parliament talk
- Monday 9 June – Drugs & Alcohol
