

Start your career with the NHS! Supported Internship – Project SEARCH

What is Project SEARCH?

Project SEARCH is a full time, one-year supported internship programme based within NHS hospitals. The course includes three real work placements, helping you develop the skills needed for employment while receiving support from dedicated job coaches and tutors.

Why join Project SEARCH?

- Gain real life NHS experience
- To build confidence and independence
- Improve your communication and teamwork
- Develop employability skills
- Progress into paid employment

**Your pathway
to a career in
the healthcare
sector**

To join the course, you must be aged 18-24, have an EHCP and be passionate about building a career in healthcare.
