

WE NEED YOU: BECOME A BUDDY

We are looking for young, responsible individuals, aged 16+ to be part of our Buddying Scheme.

We match our workers with other young disabled people to meet up on a regular basis and go out together to places such as the cinema, bowling, or for a coffee. Hanging out with someone of your own age makes a huge difference to people's lives.

No experience needed as we'll offer you full free training and an induction.

Pay from £9.70 to £13.85 per hour depending on age.
